

CSPP Family Pre-Enrollment Eligibility Requirements

2016-2017 School Year

To all parents applying for a child to attend the California State Preschool Program.

Dear State Preschool Parents:

The Child Development Division requires a Certification of Eligibility (form CD9600) before we can enroll your child into the program. This form will be completed with an eligibility administrator during the time of enrollment. Therefore, please begin gathering the following required documents and bring them to your eligibility enrollment appointment. You will be notified with an appointment date.

- Parent/Guardian information including marital status: Single Married
(Legal documents required for verification of single-parent status)
- Current pay stubs for a 30-day period
- Information on other sources of income (child support, disability or unemployment, tips, etc.)
- If no income, verification of public assistance or a statement that one/or both parents have no income
- Verification of enrollment in an educational institution and class schedule (online classes do not count)
- Record of birth for **all** children included in the family (under the age of 18)
- Current immunization records for child to be enrolled and health evaluation (Physician's Report LIC701)
- Proof of residence (rental receipts, utility bills, etc.)

Please call the school if you have any questions or need help at 754-0144.

Thank you.
